► Rungta College of Science & Technology

Affiliated to:

▲ Durg University, Durg (Chhattisgarh)

Pure sciences are the foundation of scientific knowledge. Rapid development of technology has opened doors of many specializations in science and technology. To enable students to benefit from this variety of career options, the Rungta Group conducts several of these programmes which enjoy good career prospects.

B.Sc. | M.Sc.

The science and technology courses are supported by an excellent infrastructure which includes well-equipped laboratories for microbiology and biotechnology with instruments like digital photo colorimeter, B.O.D. incubator, laminar air flow, ultracentrifuge electrophoresis, transluminator digital pH meters etc.

B.Com. | B.B.A. | M.B.A.

The art of managing growth has to be taught and evolved to enable bright students to take on not only management of country's business, but also to make a mark on the global scenario. Through various courses in commerce and management, we at Rungta are making a contribution to the phenomena of commercial and financial development of our nation.

B.Ed. | M.Ed.

Educators decide the direction the nation takes. Training educators is a function of national importance. At the Rungta College of Science and Technology, strive to evolve educators who are not only thorough and updated with latest knowledge, but are well-versed with modern teaching techniques and have an enlightened approach to teaching.

B.C.A. | PGDCA

Applications in the field of Computers are an integral part of the ever growing computer industry. Knowledge of recent languages like Java, C, C++ & VB make these courses highly relevant and in popular demand among youth. Our programmes help the students in substantial understanding of concepts in key areas of Computer Science.

Under Graduate Programmes (3 years)

Programme	Eligibility	Intake
B.Sc. (Bio Technology)	XII (Bio)	55
B.Sc. (Micro Biology)	XII (Bio)	40
B.Sc. (Biology)	XII (Bio)	
B.Sc. (Computer Science)	XII (Maths)

B.Ed.	Graduation	100
M.Ed.	B.Ed.	35

RUNGTA COLLEGE OF DENTAL SCIENCES & RESEARCH, BHILAI

Recognized by:
Dental Council of India, New Delhi

Affiliated to:
Ayush & Health Science University, Raipur

In order to bridge the gap between the ever increasing demands of Dental personnel in the country and wide spread oral diseases and dental problems, the Rungta Group established RCDSR in the year 2005, with an intake of 100 B.D.S. students per year. The college has all the specialised dental preclinical and clinical departments as stipulated by Dental Council of India (DCI).

Adequate Dental Laboratory facilities are provided for training of undergraduates & postgraduate and also for undertaking research. College also provides extension of OPD services to nearby villages, which are also attended by the students and interns under supervision of senior staff.

Bachelor of Dental Surgery (B.D.S.)

Eligibility: XII (PCB), NEET
Duration: 4+1 Years Internship

Intake - 100

Master of Dental Surgery (M.D.S.)

Eligibility: BDS, NEET
Duration: 3 Years

Intake - 27

1. Prosthodontics & Crown and Bridge	3
2. Periodontology	3
3. Orthodontics & Dentofacial Orthopedics	3
4. Oral Medicine & Radiology	3
5. Conservative Dentistry and Endodontics	3
6. Oral & Maxillofacial Surgery	3
7. Oral Pathology & Microbiology	3
8. Paediatrics & Preventive Dentistry	3
9. Public Health Dentistry	3

“ **RCDSR**
is the only College
in **Central INDIA** to have
MDS in **all 9** Specialities. ”

An endless chain of positive reaction results in well planned training program. Rungta Group of Institutions attempt to improve students' performance and prepare them for intended jobs. RGI has all the potential to create a sequence learning programme in a positive atmosphere.

RUNGTA PUBLIC SCHOOL

Education is a journey from childhood to adulthood and we at RPS wish to make this journey an exciting and fulfilling one. We seek to develop students who are confident, disciplined and critical thinkers. These qualities will ensure that they grow into responsible and caring adults of a global society. This can be achieved better through experiential learning and specifically creating opportunities and opening new avenues.

We aim to educate through a holistic approach and enable our students to exploit their inherent to the fullest. We hope to achieve this through a curriculum that goes beyond academics and incorporates within itself various experiences like studying the environment, adventure training and service to society, thereby making their journey to self realization a fulfilling one.

Salient Features:

- Individual attention - ideal pupil teacher ratio.
- A/C smart classrooms & hostel.
- A/C Bus & Mini Bus Facility from all parts of Durg-Bhilai.
- Quality education by excellent faculty.
- State-of-the-Art infrastructure.
- Focus on holistic development of the students.
